

TITLE

First Author, Second Author, ..., and Last Author*

First Affiliation, Second Affiliation, ..., Last Affiliation

* is an expression of the email of the corresponding author

Abstract body

The abstracts should be submitted on-line only a .pdf file.

The abstract should include precise statements about the purpose of your study, new previously unpublished methods, highlights, and findings. Please define all abbreviations when they are used for the first time.

ABSTRACT EDITING RULES

1. Abstracts should be written in English, only one page, A4 format, landscape, with 2.0 cm margins all around (259×190 mm text area). The recommended type of font is “TIMES NEW ROMAN”, 10 points bold for **TITLE**, and 10 points regular for abstract body.

2. The **TITLE** will be centered. The author’s names and affiliations (including email for presenting and corresponding authors) will follow an empty single-spaced line and each affiliation is not empty single-spaced line. The Name of the presenting author should be underlined. An empty single-spaced line will follow this information, and the text of the abstract.

3. The body of your abstract should be formatted as a single-spaced line text.
